ProTector™ V Series

8-Foot Linear Fluorescent Vandal-Resistant Lighting Fixture

11" Wide Model

7" Narrow Model

APPLICATIONS

- Ideal for high-traffic areas requiring architectural surface-mounted luminaires that withstand intentional vandalism

CONSTRUCTION

- Marine-grade, extruded aluminum housing
- Tamper-resistant stainless steel hardware
- Architectural die-cast end caps
- Polyester powder, semi-gloss textured finish
- Fade-resistant color (custom colors available – consult factory)
- Standard color is white

ELECTRICAL

- High-Efficiency T5, T5HO and T8 lamping
- Exceptionally high fixture efficiency
- Instant-on

OPTICS

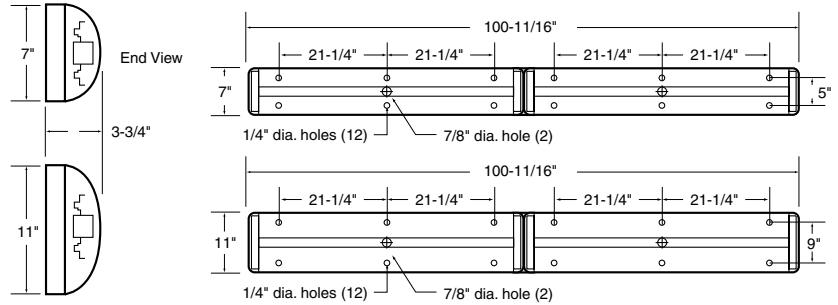

- 2', 4' and 8' sizes in T5, T5HO or T8 configurations
- Extruded impact-resistant polycarbonate lens
- Delivers uniform illumination without glare
- Available in clear prismatic and opal prismatic

MOUNTING

- No field drilling required
- Conduit-ready knock-outs in end caps

WARRANTY/LISTINGS

- "LifeLyte" limited lifetime warranty
- UL/CUL listed for wet locations
